

I am writing in regards to the following docket #5:  
95H-1230, 96P-0418, 97P-0197.

Judge the FDA to go beyond mere  
labeling on egg cartons. That molting practice  
should be outlawed as it contributes to hen  
illness!

This molting practice can only help to spread  
disease in our foods. It is cruel and  
it is unhealthy!

Please do the right thing!
